

REFORMATION DAY APPEAL

OCTOBER 2016

The Launch of Covenant Reformed Assemblies 'CRA Rural Church Building Trust

The IRFA Council, after consulting with various stakeholders including PresAid, has said that we wish to make an appeal to the churches and to Christian individuals to consider a special Reformation Day Collection for a particular project in India.

This year we wish to promote the need of the particularly poor churches of Covenant Reformed Assemblies in and around Ramachandrapuram, Andhra Pradesh. We want to set up the 'CRA Rural Church Building Trust'.

AU\$10,000 towards this Trust which was graciously raised through PresAid Easter Appeal. However, for this money to become useful we need a target of a further AU\$30,000.

Could we ask you to consider the occasion of Reformation Day that is officially 31st October to make an appeal for a special offering to assist toward the 'CRA Rural Church Building Trust'?
